"DAY OF GIVING" TUESDAY, NOVEMBER 10, 2026

ATTENTION: Alert!

The day and time is here! *Your help required!* Coastal Bend Community Foundation (CBCF) has graciously allowed us to be among the area nonprofits benefitting through the "Day of Giving" that begins at 12:00 a.m. (midnight) on Tuesday, November 10, and ends 11:59 p.m. EARLY giving is November 2-10. Many donate early to avoid forgetting on November 10th. This may work better for YOU, too. The first \$27,000 donated is matched by CBCF and 22 co-funders. When matched, we have \$54,000 and seek to continue adding to it. Hopefully, we can exceed last year's record of \$104,502.

Each nonprofit participant addresses one or more of the primary objectives that are at the heart of "why" this effort is worth it . . .

Fight Hunger

Support Children

Improve Health

Reduce Homelessness

Family Upreach, Inc. (dba *NewLife Behavior Ministries*) impacts all four of these areas in significant ways. Thank you for your support on November 10 and throughout the year.

2026 marks our 12th year to participate in this event. Whatever the total ends up being, it will be the most received in one 24-hour period of the entire year! Here is the history of totals for previous years (in the box to the left). We normally end up in the top 10-15 nonprofits participating each year. The more successful nonprofits go well over \$100,000. A common "key" is to be supported by more donors even if they do not contribute large amounts.

Day of Giving Records

2015 - \$46,746
2016 - \$49,410
2017 - \$67,979
2018 - \$71,070
2019 - \$80,899
2020 - \$62,526
2021 - \$91,964
2022 - \$96,763
2023 - \$88,196
2024 - \$84,845
2025 - \$104,502

In recent years we have climbed up over 100 donors. But others have two to five times more! Why is it important to go over \$100,000? First, we need more to meet the growing demand. One purpose behind CBCF sponsoring the Day of Giving is to give smaller nonprofits like us a "boost" in visibility and attract more philanthropists to help throughout the year(s) to come. Plus, we want to earn respect and honor to continue being included among the nonprofits benefitting from the *Day of Giving* in future years. So, we want to prove our productivity. No single nonprofit can fully meet 100% of the needs in our community. We seek to proudly stand side by side with many other outstanding programs and agencies in the Coastal Bend.

***Please remember NLBM
on November 10 and support
these soul-reaching efforts!***

A Sense of Self

"A Sense of Self"

This course was the first to be written. It was developed as **Dr. H. M. Motsinger** taught in the **Dallas County Jail** as well as the **Wynne Prison** unit in Huntsville. It was **John Henry Pruitt** who took copious notes and approached Brother Motsinger to put these lessons into print. The result has impacted millions around the world.

As with all NLB courses, there are thirteen lessons captured in four units.

Unit One (Who Am I?)

- Lesson 1 – ...That God is Concerned About Me?
- Lesson 2 – I Am a Person of Great Value
- Lesson 3 – A New Question – A New Life

Unit Three (Understanding our Feelings)

- Lesson 8 – Why Do I Feel This Way?
- Lesson 9 – Understanding Anger
- Lesson 10 – Handling Anger

Unit Two (Understanding Our Behavior)

- Lesson 4 – Why Did I Do That?
- Lesson 5 – Psychological and Social Factors
- Lesson 6 – Parental and Family Influences
- Lesson 7 – Human Needs and Values

Unit Four (Understanding How We Think)

- Lesson 11 – As a Person Thinks
- Lesson 12 – I Think I Can, Therefore I Can!
- Lesson 13 – Our Inner Struggle – The Conscience

Teacher's Tip: Departments of Corrections really like this study because it connects secular longstanding theoretical frameworks (Maslow's hierarchy of needs, Kohlberg's moral development, etc.) to Biblical principles and lifestyle. In addition, it explores what is influencing behaviors, not just the behaviors themselves. Unchurched and new believers can really connect!
